

## DIRECT DONATION TO GATEWOOD

Gatewood PTA is a non-profit 501(c)(3) organization set up to support Gatewood Elementary Public School. Historically, more than 50% of the money we raise each year is used to fund up the time our specialists are in the building. This is paid to the district in the form of a grant from the PTA. The PTA also financially supports a variety of activities including scholarships for after school clubs, field trips, library books, musical instruments, Operation Imagination playground renovations and community building events. Changing conditions may alter the way the money raised by the PTA is spent, but it is always allocated based on how best to serve the needs of the Gatewood student body.

Please consider making a donation to the Gatewood PTA. It is our most efficient way to raise money. All donations are tax deductible to the extent allowable by law. Please check with your employer as well-many will match donations made to charitable organizations. Thank you for your support!
